England in the Middle Ages Wikipedia

January 15th, 2019 - At the start of the Middle Ages England was a part of Britannia a former province of the Roman Empire The local economy had once been dominated by imperial Roman spending on a large military establishment which in turn helped to support a complex network of towns roads and villas At the end of the 4th century however Roman forces had been largely withdrawn and this economy collapsed

Castles in Great Britain and Ireland Wikipedia

January 15th, 2019 - Castles have played an important military economic and social role in Great Britain and Ireland since their introduction following the Norman invasion of England in 1066 Although a small number of castles had been built in England in the 1050s the Normans began to build motte and bailey and ringworks castles in large numbers to control their newly occupied territories in England and the
